Cindy Davis, Editor

Dear Readers:

Throughout this book I hope you find as much enjoyment looking, as we all have in putting it together for you. I want to thank all the members that have worked so hard with me to get everything finished on time.

Look through this book and remember all the good times that you have shared with classmates. I hope we have caught a few of these memories for you.

Good Luck to next year's staff, especially Mark, because I have been where he is heading.

Cindy, Editor
1984 Green Knight

We Dedicate the

To:

Mrs. Davis

Because you've been so supportive throughout our years of high school. For leading and guiding us through anything we tried to accomplish.

Ella Davis

1984 Green Knight

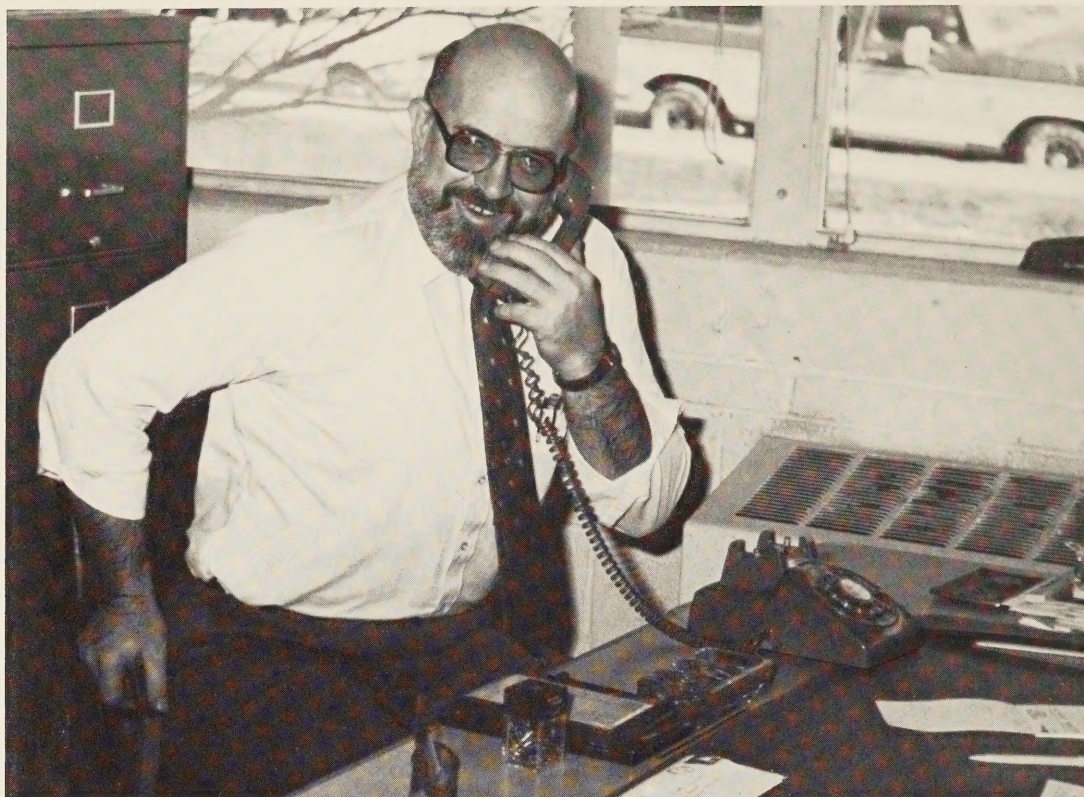

To:

Mrs. Skeens,

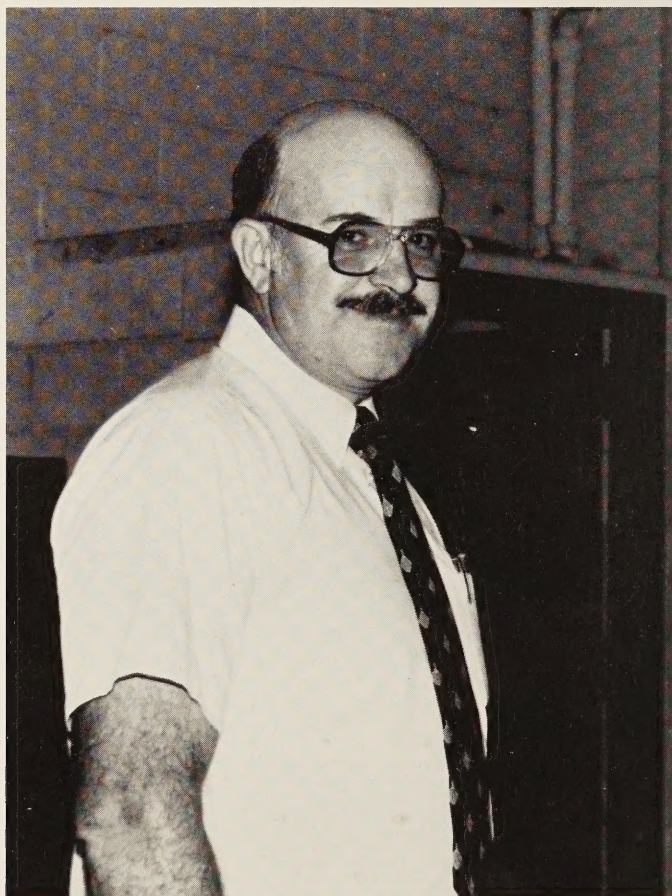

Because you're such a friend to us. You always have a smile for us, along with good advice that doesn't hurt because it doesn't seem like advice.

In Loving Memory

In loving memory to our friend
Whom we have loved and now here end

All the memories we've shared together
Are in our hearts to last forever

Though at times when we were down
She was always there to erase our frowns

The smile we remember on her face
Seemed to glow with a radiant grace

But with our Father she was taken away
Where we shall meet in heaven some day

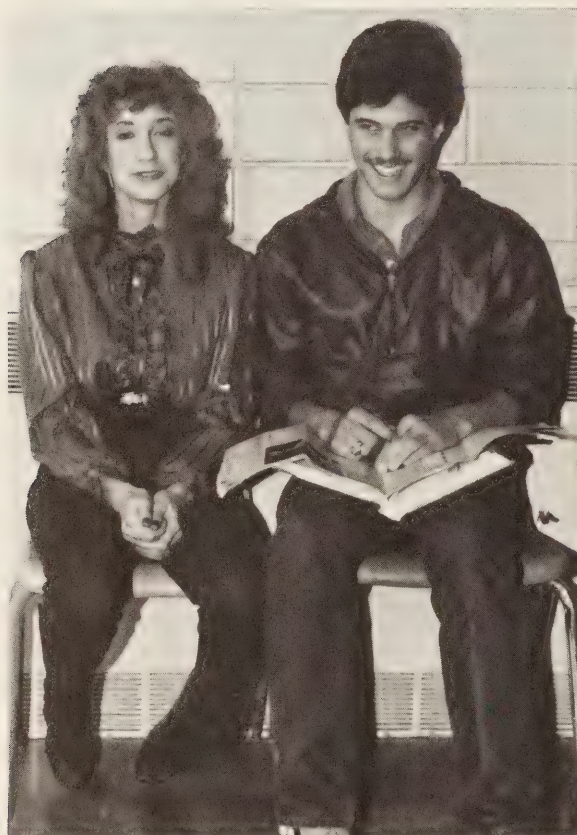

Time will pass and life will go on
Forever loving our Samantha Gail Jones
